

CLEANR & Environmental Law Society Present...

Followed by Q&A with expert from the film, UCI Professor Jay Famiglietti.

Last Call at the Oasis is a documentary on the global water crisis directed and written by Jessica Yu. Jay Famiglietti, Professor of Earth System Science and Civil and Environmental Engineering and the Founding Director of the UC Center for Hydrologic Modeling, is featured in the film and will be present to answer questions about this groundbreaking work.

Food and drinks will be provided.

Thursday, November 7
6:00pm to 8:00pm
