Thank you for requesting information about the GRAMMY Foundation® Entertainment Law Initiative (ELI) Writing Competition. In its seventeenth year, ELI promotes discussion and debate on the most compelling legal issues facing the music industry today. The initiative also promotes future careers in entertainment law by seeking out the nation’s top law students and giving them invaluable networking and educational opportunities.

The writing contest challenges students to identify, research, and write an essay with a proposed solution on a compelling legal issue confronting the music industry. A national panel of music law experts will judge the papers in a blind process and select five finalists.

The scholarship is co-sponsored by the American Bar Association (ABA).
