Saturday Academy of Law

Become a mentor and a representative of UCI Law!

The UCI Saturday Academy of Law (SAL) is designed to help high school students develop stronger critical reading, writing and speaking skills, while providing students with the opportunity to learn about exciting careers in law! This is a rare opportunity for students in the Santa Ana Unified School District, Anaheim Union High School District, and Garden Grove Unified School District to take classes at UCI School of Law and network with UCI undergraduates and law students.

Join our group of teachers and teaching assistants who help facilitate the lesson plan for the students that we serve. In the classroom, students learn a series of Supreme Court Cases pertaining to First Amendment rights in school and evaluate a hypothetical case at the end of the session. Students and TA's also have the opportunity to network with local lawyers and judges who present to the class.
