CEO FELLOWSHIP PROGRAM

Thank you for your interest in the CEO Fellowship Program! This program is an optional, one-credit add-on to the Law, Leadership, and the Global Landscape course. In addition to the regular course meeting, you will be expected to work at least 45 hours with your assigned CEO or designee. Your work will focus on learning how a business operates from the inside; the CEO will determine specific assignments. Once selected, fellows will be asked to rank the placements and are expected to complete the entirety of the program.
