RSVP TODAY!

[BIT.LY/4DECXUU](https://bit.ly/4DECXUU)

Join media scholars Miranda Banks and Kate Fortmueller, authors of *Boom to Bust: How Streaming Broke Hollywood Workers*, for a student workshop on researching media industries, labor, and creative work. Drawing from their research on Hollywood, the workshop will explore how scholars study workers and industry institutions, conduct and evaluate interviews, navigate ethical questions in field research, and investigate the changing role of unions and technology in media production.

FEATURING

MIRANDA BANKS

Professor
Loyola Marymount University

KATE FORTMUELLER

Professor
Georgia State University
