

## SUMMER INTERN CLINIC PREFERENCE FORM

Name: \_\_\_\_\_

Phone: \_\_\_\_\_

Email: \_\_\_\_\_

We are hiring interns for Summer 2014 for each of our five firm clinics (at least one intern per clinic). Interns will each be assigned to one of the five firm clinics. The firm clinics are the Community & Economic Development Clinic, the Domestic Violence Clinic, the Environmental Law Clinic, the Immigrant Rights Clinic and the International Justice Clinic.

Please review the descriptions of our clinics on the clinic webpage (<http://www.law.uci.edu/academics/real-life-learning/clinics/>) so that you can determine which clinic you would like to work in for the summer. You may express an interest for as many of our clinics as you wish. In that case, we ask that you list your preferences for the clinics. You may also list groups of clinics for your first, second and third choices.

Please rank your clinic preference (1=most prefer; 5=last preference). If you do not have an interest in a particular clinic, please rank it as "None."
