CONGRESSIONAL AND LEGISLATIVE TESTIMONY

Testimony, U.S. House Judiciary Subcommittee on Immigration Integrity, Security, and Enforcement, minority witness for the hearing, "[*Fairfax County, Virginia: The Dangerous Consequences of Sanctuary Policies*](#)," focused on how immigrant domestic violence and trafficking survivors need to be able to safely access legal protection, police response, and community resources (May 2026).

Testimony, SB 1394 (Min): Access to Remote Vehicle Technology, Assembly Privacy and Consumer Protection Committee (July 2024). This bill would require a vehicle manufacturer to terminate a person's access to remote vehicle technology, as defined, upon a completed request from a driver who establishes proof of legal possession.

Testimony, SB 741 (Min): Domestic Violence Restraining Orders: Prehearing Discovery, Assembly Judiciary Committee (June 2023). This bill creates a process and protections for discovery under the Domestic Violence Prevention Act.

Testimony, AB 2790 (Wicks): Centering Survivor Safety and Health, Assembly Committee on Appropriations (May 2022); Senate Committee on Public Safety (June 2022). The bill removes the requirement that health practitioners make reports of adult intimate partner violence to law enforcement, and instead requires medical practitioners to provide brief counseling and referrals to local and national domestic violence or sexual violence advocacy services.

Testimony, SB 374 (Min): Adding "Reproductive Coercion" to the Definition of Domestic Abuse in California's Domestic Violence Prevention Act: Senate Judiciary Committee (March 2021); Assembly Judiciary Committee (June 2021); Assembly Appropriations Committee (June 2021).
